INSTITUTIONAL DISTINGTIVENESS 2016-17

The vision of the institution is "Transforming the youth into responsible citizens to instil the sense of peace, order and social justice"

To impart legal instructions and training that motivate them in participation of socially relevant interaction programmes, to help them adapt to face the challenges emerging out of the process of development and to train them to participate in social reformation and social development.

Social Transformation through legal education is vision statement of our college and it is also social responsibility of college to contribute to people at large with legal aid and literacy etc. Socio-legal awareness among people is one of the ways to bring social change as law itself is an instrument of social change. To achieve the vision the institution has a practice to organise legal literacy programme in and around the Gadag city. Our college consistently arranges extension activities through faculties and students in the form of awareness programs for common people.

Two Days Legal Awareness Programme" was organized on 02-09-2016 and 03-09-2016 where our students visited at the door steps of common people and created awareness about general laws and benefits available from the Government.
