## INSTITUTIONAL DISTINCTIVENESS: 18-19

*The vision of the institution is "Transforming the youth into responsible citizens to instill the sense of peace, order and social justice"*

To impart legal instructions and training that motivate them in participation of socially relevant interaction programmes, to help them adapt to face the challenges emerging out of the process of development and to train them to participate in social reformation and social development.

To motivate our students to participate in social reformation institution organised guest lectures on relevant areas.
