

Google Workspace for Education overview

K.L.E. Society's S.A. Manvi Law College has collaborated with the Google and subscribed to "Google Workspace for Education." This is a set of Google tools and services that are tailored for educational institutions to collaborate, streamline instruction, and keep learning safe. **Google Workspace for Education Fundamentals which the college has subscribed gives** to the college tools to aid teaching and learning, such as Classroom, Google Meet, Google Docs, Google Forms, and Google Chat. Education Fundamentals is free Learning Management system from Google.

Collaboration with Microsoft Corporation

Microsoft offers to students, educators and educational institutions to sign up for Office 365 Education for free, including Word, Excel, PowerPoint, OneNote, Microsoft Teams, and other additional classroom tools. The software is named as **Microsoft 365 A1**. This is a simple one-time per device solution to support all learners with desktop apps like Word, Excel, PowerPoint, Microsoft Teams, Minecraft: Education Edition, and more. This license also provides cloud management through Microsoft Intune for Education, to save time by managing your devices in a single dashboard.

The College has Collaborated with the Microsoft to get the benefits of the Microsoft Office Education products. The college has subscribed to one million free Microsoft 365 A1 licenses for students and fifty thousand free Microsoft 365 A1 Licenses for faculty members.
